

UoB - Bachelor of Engineering (Chemical)		
ITEM 1	COURSE	CREDITS
Year 3 & 4 at UoB	Computing for Chemical Engineers	10
	Mass, Heat and Momentum Transport	20
	Process Integration and Unit Operations	20
	Process Systems and Principles of Process Control	20
	Product Design Exercise	10
	Reactors, Catalysis, and Thermodynamics	20
	Sustainable Process Engineering	20
	Advanced Reactors and Thermodynamics	20
	Design Project	40
	Multiphase Systems	20
